Welcome to Falun

FALUN

A place for everyone

- 60,000 residents
- A part of the Falun Borlänge-region with over 165,000 residents
- Dalarna's largest municipality

A proud history

- Was Sweden's second largest city in 17th century
- Helped form the Sweden of today
- World Heritage site since 2001

A vibrant city center

- More than 200 shops, cafés and restaurants
- New districts are emerging
- Democracy center

A peaceful countryside nearby

- Peace of the countryside just around the corner from the pulse of the city
- Popular with families
- 280 m² parkland per resident and 15 nature reserves

A sports venue for all levels

- Lugnet, one of Europe's most complete sports and recreational venues
- 58 of the Swedish Sports Confederation's 67 special sports can be practiced here
- Four-time host of FIS Nordic World Ski Championship

A lake for year-round activity

- Archipelago excellent for boating and swimming in summer
- A heaven for Nordic skating with plowed tracks in winter

A center for music and culture

- Sabaton Open Air
- World class museums
- House of culture tio14

Always something to do!

- Events all year round
- Great for enthusiasts
- Music, culture, sports, art, skateboarding ...

A dynamic business sector

- 450 new companies every year
- International, national and local business
- Large demand for recruitment for the future

Falun for the future

- How do you want to live?
- 300 new rented flats will be built the next coming years
- 27 municipal elementary schools
- Dalarna University
